CLASS 1	CLASS 3	

For **SMM/LIMS** projects, review the **Owner Acceptance Sampling and Testing Checklist** and note all classes of concrete required on the checklist. Mark only the box for the class of concrete specified on the OA checklist, to ensure that all testing records show the mix approved for use of that class of concrete.

<b>Project is SMM / LIMS</b>	<b>Yes</b>	<b>No</b>
<p><b>Example:</b> OA Checklist shows <b>Class B</b> concrete for the bid items. Contractor is submitting Class B/D/P mix design. On the CDOT Form 1188, <b>mark the box corresponding to the class of concrete specified on the OA checklist, Class B box only.</b> Class D and P do not appear on the OA checklist therefore the mix design will need to be approved as Class B. Review CDOT Standard Specifications, Section 601.02</p>
