

Transportation Commission Resolution #20240711

Resolution to increase CDOT's FTE count by 12.0 FTE positions based on identified legislative needs.

Approved by the Transportation Commission on July 18, 2024.

Whereas, pursuant to Transportation Commission Policy Directive 703.0, Appendix D, increasing the number of CDOT Full Time Equivalent (FTE) staff requires Transportation Commission review and approval;

Whereas, the Transportation Commission was presented information regarding a request from the CDOT management team for an additional 12.0 new permanent FTEs based on identified legislative needs, which would increase CDOT's total FTEs by 0.3% percent; and

Now Therefore Be It Resolved, that the Colorado Department of Transportation's new FTE count cap is 3,479 actively filled positions.
