SUBJECT: Adoption of the FY 2016-2019 Statewide Transportation Improvement Program (STIP)

Purpose

To adopt the FY 2016-2019 Statewide Transportation Improvement Program (STIP).

Action

Transportation Commission adoption of the FY 2016-2019 STIP.

Background

The FY2016 - FY2019 Statewide Transportation Improvement Program (STIP) is available at: <https://www.codot.gov/business/budget>. At the regular meeting on May 21 I will be requesting that you adopt the STIP based on the following:

- The STIP has been developed in cooperation between CDOT and the Transportation Planning Regions (TPRs), including the five Metropolitan Planning Organizations (MPOs). It has been developed in accordance with 23 CFR Parts 450.210 and 450.216.
- It has been reviewed by staff to ensure that it meets fiscal constraint.
- We have received concurrence from each CDOT RTD that the funding and projects selected by the MPOs match regional priorities and fall within fiscal constraint.
- We have also received concurrence from the CDOT Regional Planners that the MPO Transportation Improvement Programs (TIPs) and the STIP match.
- It is anticipated that all MPO TIPs will be signed and approved by the Governor by June 30, 2015.
- A public involvement process was provided for comments from April 6 through May 8, 2015. Copies of the Draft STIP were provided to all County Clerk offices, TPRs, State Depository Libraries, FHWA Colorado Division and FTA Region 8 offices, and CDOT Region and Headquarters offices. A copy of the draft was also posted on CDOT's external website.
- A public hearing was held on April 16, 2015. No comments were received from the public. Comments were submitted by FHWA and FTA; these pertained mostly to clarification of narrative content. An errata sheet detailing these changes will be included with the FY 2016-2019 STIP.

Details

If you have any questions regarding the development of the STIP or other specifics, please contact Jamie Collins of my staff at 303-757-9092. Otherwise I look forward to seeing you on May 21.
