

**DATE:** October, 2019  
**TO:** Transportation Commission  
**FROM:** Office of Policy and Government Relations  
**SUBJECT:** Proposition CC Resolution

**Purpose:** Chairman Thiebaut has requested a resolution be presented to the Commission for consideration that expresses support for Prop CC, coming up on the November, 2019 statewide ballot. You will find the resolution in your resolutions packet as Temporary Resolution #9.

**Background**

During the 2019 legislative session, the General Assembly passed HB19-1257 (Becker, McCluskie/Court, Priola) that referred a ballot measure to the voters for the November, 2019 ballot. The measure will ask Coloradans if they wish to “de-Bruce” the state, allowing the state to keep all revenue collected, including that above the TABIOR cap, beginning in the 2019-20 state budget year. Currently, due to the TABOR Amendment, a revenue cap is computed each year and adjusted to account for inflation and state population growth. If the cap is reached, current law provides that the revenue above the cap be returned to Colorado tax payers.

**Summary**

If Proposition CC is approved by voters, all revenue the state keeps over the existing revenue limit will be split equally and allocated to:

- public schools;
- higher education; and
- roads, bridges, and transit.

Additional details on the Proposition were provided to the Commission in your September, 2019 packet.
