

WMA Contractor Review
Aggregate Industries - Ad-here Ultra
October 22, 2018

DATE: October 22, 2018

FROM: Craig Wieden, Materials and Geotechnical Branch Manager

TO: MAC Members and Industry Partners

SUBJECT: Final Decision on the Approval of Warm Mix Asphalt Mix Submittal for Aggregate Industries, Contractor Approval using Ad-here Ultra WMA Technology

REFERENCE: www.codot.gov/business/apl/asphalt-warm-mix.html

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period October 9, 2018 to October 22, 2018. In accordance with the Colorado Procedure 59 (CP-59), Aggregate Industries requested renewal as a Contractor using the Ad-here Ultra WMA Technology.

Quality of Submittal

The Aggregate Industries submittal using Ad-here Ultra WMA Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for Aggregate Industries to design, batch, and construct WMA using the Ad-here Ultra Technology. Ad-here Ultra is an approved technology, without restrictions.

WMA Decision

Aggregate Industries is renewed as a contractor for design, batch, and placement of the Ad-here Ultra Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
