

WMA Contractor Review
APC Construction Company - Evotherm 3G
December 15, 2016

DATE: December 15, 2016

FROM: Bill Schiebel, Materials and Geotechnical Branch Manager

TO: MAC Members and Industry Partners

SUBJECT: Final Decision on the Approval of Warm Mix Asphalt Mix Submittal for APC Construction Company, Contractor Approval using Evotherm 3G WMA Technology

REFERENCE: www.codot.gov/business/apl/asphalt-warm-mix.html

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals was provided documentation and queried via email during the period November 29, 2016 to December 14, 2016. In accordance with the Colorado Procedure 59 (CP-59), APC Construction Company requested review and approval as a Contractor using the Evotherm 3G WMA Technology.

Quality of Submittal

The APC Construction Company submittal using Evotherm 3G WMA Technology was submitted for CDOT consideration. The submittal was sufficient for the panel to review abilities for APC Construction Company to design, batch and construct WMA using the Evotherm 3G Technology. Evotherm 3G is an approved technology, without restrictions.

WMA Decision

APC Construction Company is approved as a contractor for design, batch and placement of the Evotherm 3G Technology. This contractor will be posted to the CDOT website as an approved Contractor under the category of Approved WMA Contractors.
