SUBJECT: Final Decision on Approval of Warm Mix Asphalt Submittal for AquaBlack Solutions WMA

REFERENCE: www.codot.gov/business/apl/asphalt-warm-mix.html

Overview

The review panel for evaluation of Warm Mix Asphalt (WMA) submittals reviewed Maxam's AquaBlack Solutions WMA product during the period of December 12, 2016 to January 3, 2017, in accordance with the Colorado Procedure 59 (CP-59).

Quality of Submittal

AquaBlack Solutions WMA was submitted for CDOT re-evaluation. The submittal was found to have met all of the requirements of CP-59.

WMA Decision

Maxam's AquaBlack Solutions WMA product is re-approved by the panel, for use without restrictions.

Addendum

The original unrestricted approval for Maxam's AquaBlack Solutions WMA product was on September 19, 2013. This approval was for a three year period, after which time they were to submit a request for re-evaluation of their product. This technology will be posted to the CDOT website under the category of WMA technologies.
