

COLORADO
Department of Transportation

Standards and Specifications Unit
2829 W. Howard Place
Denver, CO 80204-2305

DATE: July 31, 2019
TO: Region Transportation Directors
Region Program Engineers
Branch Heads
FROM: Neil Lacey, Project Development Branch *nl*
SUBJECT: COOT 2019 M&S Standards

The Department has published the 2019 edition of the CDOT M&S Standard Plans. Additional information on the 2019 M&S Standards can be found by accessing the standard plans page on the Department's web site:

<https://www.codot.gov/business/designsupport/standard-plans>

The web page contains useful information regarding significant changes to the 2019 M&S Standards, plan list sheet, project support memos and links to all standards. The Colorado Department of Transportation will begin use of the 2019 edition on all projects advertised beginning on October 1, 2019. Future years will follow the same publication schedule unless notice is given otherwise.

The Project Development Branch will be printing a limited number of complimentary books to distribute to each Region and Support Units. This should be enough copies for each Region Transportation Director, Program Engineer, Resident Engineer and other units including Materials, Traffic, Right of Way, Utilities, and Hydraulics.

If you have any questions or comments, please contact Standards and Specifications Engineer Shawn Yu at 303-757-9474 or Traffic and Safety Engineer Manjari Bhat 303-757-9436.
