Certification of Health Care Provider for
Family Member's Serious Health Condition
(Family Medical Leave Act)

SECTION I: For Completion by the EMPLOYER

INSTRUCTIONS to the DEPARTMENTS/INSTITUTIONS: Please complete this section before providing this form to your employee. You must use this form and may not ask the employee to provide more information than allowed under the Family Medical Leave Act (FMLA) regulations, 29 C.F.R. 825.306-825.308. Employers must generally maintain records and documents relating to medical certifications, recertifications, or medical histories of employees' family members, created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 C.F.R. 1630.14(c)(1), if the Americans with Disabilities Act applies, and in accordance with 29 C.F.R. 1635.9, if the Genetic Information Nondiscrimination Act applies.

SECTION II: For Completion by the EMPLOYEE

INSTRUCTIONS to the EMPLOYEE: Please complete this section before giving this form to your family member or his/her medical provider. The FMLA permits an employer to require that you submit a timely, complete, and sufficient medical certification to support a request for FMLA leave to care for a covered family member with a serious health condition. If requested by your employer, your response is required to obtain or retain the benefit of FMLA protections. Failure to provide a complete and sufficient medical certification within 15 calendar days may result in a denial of your FMLA request.

SECTION III: For Completion by the HEALTH CARE PROVIDER

INSTRUCTIONS to the HEALTH CARE PROVIDER (see definition on last page): The employee listed above has requested leave under the FMLA to care for your patient. Answer, fully and completely, all applicable parts below. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as "lifetime," "unknown," or "indeterminate" may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the patient needs leave. Do not provide information about genetic tests, as defined in 29 C.F.R 1635.3(f), or genetic services, as defined in 29 C.F.R. 1635.3(e). Please be sure to sign the form and return to the patient or employee.

Definitions for Certification Form

A. **"Health Care Provider"**, for purposes of the FMLA, is a provider who may provide certification of a serious health condition and is one of the following:

1. A doctor of medicine or osteopathy authorized to practice medicine or surgery (as appropriate) by the State in which the doctor practices; or
2. A podiatrist, dentist, clinical psychologists optometrist, or chiropractor authorized to practice in the State and performing with the scope of their practice, meaning authorized to diagnose and treat physical or mental health conditions (treatment by a chiropractor is limited to treatment consisting of manual manipulation of the spine to correct a subluxation as demonstrated by X-ray to exist); or
3. A nurse practitioner, nurse-midwife, clinical social workers or a physician's assistant authorized to practice under State law and performing within the scope of their practice, meaning authorized to diagnose and treat physical or mental conditions; or
4. A Christian Science practitioner listed with the First Church of Christ, Scientist in Boston, Massachusetts; or
5. Any health care provider recognized by the employer or the employer's group health plan's benefits manager; and,
6. A health care provider listed above who practices in a country other than the United States and who is authorized to practice under the laws of that country.

B. **"Incapacity"** is defined to mean inability to work, attend school or perform other regular daily activities due to the serious health condition, treatment therefore, or recovery there from.

C. **"Regimen of Continuing Treatment"** includes, for example, a course of prescription medication (e.g., antibiotics) or therapy requiring special equipment to resolve or alleviate the health condition. A regimen of treatment does not include the taking of over- the-counter medications such as aspirin, antihistamines, or salves; or bed-rest, drinking fluids, exercise, and other similar activities that can be initiated without a visit to a health care provider.

D. **"Serious Health Condition"** is an illness, injury, impairment, or physical or mental condition that involves one of the following:

1. Any period of incapacity or treatment connected with Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity or any subsequent treatment in connection with such inpatient care; or
2. Any period of incapacity of more than three consecutive calendar days from work, school, or other regular daily activities that also involves continuing treatment by (or under the supervision of) a health care provide; or
3. Any period of incapacity due to pregnancy, or for prenatal care; or
4. Any period of incapacity (or treatment therefore) due to a chronic serious health condition (e.g., asthma, diabetes, epilepsy); or
5. A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective (e.g., Alzheimer's, severe stroke, terminal stage of a disease); or,
6. Any absences to receive multiple treatments (including any period of recovery there from) by, or on referral by, a health care provider for a condition that likely would result in incapacity of more than if left untreated (e.g., chemotherapy, physical therapy), dialysis, etc.).

E. **"Treatment"** includes examinations to determine if a serious health condition exists and evaluations of the condition. It does not include routine examinations.
