**From:** Jhari Sander CDOT Region 3 - Adopt-A-Highway Coordinator

**RE:** Non-renewal of Adopt-A-Highway Agreement

Dear Benedicte,

In reviewing my files, it has come to my attention that the required yearly renewal of your contract has not been received. **Your adoption expired in August 2017.** I have found that oftentimes this non-renewal is an oversight. If you are still interested in continuing to serve the community through the Adopt-a-Highway program, please return the enclosed renewal by **September 20, 2017.**

**Please note that any groups who fail to contact the Department by September 20, 2017 will be automatically cancelled and your signs will be removed.**

If you have chosen to cancel your adoption, please accept my appreciation of the time and effort that you and your group have donated to the Adopt-a-Highway Program. Your efforts are very much appreciated and your work has made a difference in keeping our highways beautiful.

Thank you,

Jhari Sander  
Adopt-A-Highway Program Coordinator
