

Geoffrey Schley aka "Schlayer" is a Vail, CO based Illustrator and Graphic Designer whose award-winning work and client samples are on display at www.schlayerdesign.com. Originally from Minneapolis, Minnesota Geoffrey followed the foot-steps of many before him to "go west young man" to pursue the outdoor-oriented mountain lifestyle. When he isn't arm-wrestling design work and art projects into submission you'll find him whizzing down mountains by bike or skis, or picking a guitar around a campfire.
