RE: Section 106 Comment Response – CDOT Project STU M240-156, Paseo Road Bridge Replacement Project
Colorado Springs, Colorado

FILE No.: HPS-19-0008

Dear Ms. Braun,

The City's Land Use Review Division of the Planning & Community Development Department, in its administration of the Certified Local Government obligations for the City, has reviewed the above-mentioned Section 106 solicitation, dated May 15, 2019, for comments concerning the determinations of eligibility and effect, and notification of *De Minimis* finding for the Paseo Road Bridge Replacement Project in Colorado Springs. The proposed undertaking consists of replacement of the current concrete box culvert with a new culvert with wingwalls in the same alignment. Additional ancillary improvements consisting of storm drain drainage relocation, permanent and temporary easements, channel grading, and the stockpiling and staging of construction materials on the Patty Jewett Municipal Golf Course will also occur under this project. Based on the analysis and information provided for the proposed undertaking, staff concurs with the determination of CDOT's Environmental Programs Branch that the project will have **no direct or visual adverse effect** and agrees with the *De Minimis* finding.

Should further information become available or resources identified through coordination with other parties or the commencement of construction activities associated with the proposed undertaking, the City requests to be notified to ensure further action is not warranted according to applicable local, state and federal regulations. The respectfully requests to continue to be a consulting and interested party for the undertaking.

The City of Colorado Springs is committed to excellent customer service. We would like to hear your comments about the service you received during the review of this application and your interaction with our department. Please consider completing the survey through Speak UP COS located at <https://coloradosprings.granicusideas.com/surveys/planning-department-customer-service-survey>. Your response is completely confidential.

If you have any questions regarding the above sections, please contact me at daniel.sexton@coloradosprings.gov or by phone at 719-385-5366.

Sincerely,

A handwritten signature in black ink that reads "D. Sexton".

Daniel Sexton, AICP
