

CDOT ARRA Projects

CDOT Owned and Administered Projects											
Project Name	CDOT Region	County	Project Owner	Description of Work	Estimated Total Project Cost	ARRA Funds	Project Status	Start Date	Completion Date	Percentage Spent	Contractor
US 40/US 287 at Boyero (Ports to Plains Corridor)	1	Lincoln	CDOT	This is the next phase of a concrete reconstruction project along this corridor. The project will improve 8.7 miles of US 40/US 287 (mileposts 413-422 approximately). The US 40/US 287 corridor between Campo and Hugo is one of Colorado's 28 high priority strategic projects.	\$12,499,486	\$12,248,750	Under Construction-Resumed in March 2011 after a winter shutdown	July 14, 2009	July 2011	93%	Castle Rock Construction Co.
State Highway 9 between Valley Brook and Coyne Valley in Breckenridge	1	Summit	CDOT	Widens SH 9 to two lanes in each direction and constructs a new pedestrian bridge and a retaining wall. The project will also relocate a bike path and improve drainage.	\$9,250,128	\$8,994,331	Construction Complete	June 15, 2009	December 2010	100%	Zak Dirt, Inc.
I-70 between Vail Pass and Silverthorne	1	Eagle and Summit	CDOT	Resurfaces 14 miles of I-70 from milepost 190 to 204 as well as the right lane of eastbound I-70 between milepost 180 and 190. Numerous bridges along the I-70 corridor will also be rehabilitated by repairing expansion joints and bridge decks.	\$10,068,510	\$8,000,000	Construction Complete	June 1, 2009	July 2010	100%	Asphalt Paving Co.
I-70 West, Truck Parking Management	1	Clear Creek and Eagle	CDOT	Installs various truck parking management components (electronic signs, closed-circuit cameras, power and communications systems), as identified in the I-70 Mountain Corridor PEIS, to provide notification during inclement weather.	\$2,048,253	\$2,014,973	Construction Complete	August 10, 2009	July 2010	100%	Sturgeon Electric Co.
US 285 at Shaffers Crossing	1	Jefferson	CDOT	Constructs a grade-separated interchange at Elk Creek Road, new frontage roads and a wildlife crossing underpass. When complete, Elk Creek Rd. will run under US 285.	\$10,850,000	\$8,400,000	Under Construction	September 14, 2009	June 2011	85%	Hudick Excavating
US 85 between Titan Road and Cook Ranch	1	Douglas	CDOT	Widens one mile of US 85 to two lanes in each directions with shoulders and a raised median with controlled access. The existing roadway is only one lane in each direction with no shoulders.	\$6,701,038	\$5,400,000	Construction Complete	September 21, 2009	October 2010	100%	Lawson Construction, Co.
US 24 west of Limon	1	Elbert	CDOT	Resurfaces 10.8 miles of US 24 in asphalt.	\$6,851,078	\$6,717,078	Construction Complete	May 3, 2010	August 2010	100%	APC Southern Construction Co.
US 287 south of Springfield (Ports to Plains Corridor)	2	Baca	CDOT	This project will reconstruct US 287 in concrete and improve drainage and shoulder embankments. The US 40/US 287 corridor between Campo and Hugo is one of Colorado's 28 high priority strategic projects.	\$16,000,000	\$15,677,776	Construction Complete	October 26, 2009	October 2010	100%	Lawson Construction, Co.
US 24 East Bridge over Draw in Falcon, east of Colorado Springs	2	El Paso	CDOT	Replaces a structurally deficient bridge in Falcon and improves drainage.	\$3,520,402	\$3,463,203	Construction Complete	October 12, 2009	September 2010	100%	Scott Contracting, Inc.

CDOT ARRA Projects

I-25 through Trinidad	2	Las Animas	CDOT	Constructs the Purgatoire River Pedestrian Trail, adds street lights, parking lot paving, curb and gutter, drainage inlets, landscaping and sidewalk. This work will be added onto the existing contract for work taking place on I-25 through Trinidad.	\$82.3 million	\$7,044,806	Under Construction-ARRA Work Underway	December 2006	July 2011	75%	Lawrence Construction Co.
US 50 east of Pueblo	2	Pueblo	CDOT	Resurfaces six miles of US 50 from State Highway 96 to the Huerfano River, resurfaces 2.4 miles of the US 50 Business Route, repairs the bridge deck on US 50 over Chico Creek, and makes intersection improvements at SH 233/50C.	\$7,667,545	\$5,070,313	Construction Complete	April 2010	September 2010	100%	Rocky Mountain Materials and Asphalt
State Highway 13 at Rio Blanco Hill	3	Rio Blanco	CDOT	Reconstructs five miles of SH 13 in asphalt, adds eight-foot shoulders and climbing and passing lanes. The improvements will enhance recreational bicycling in this area. This is the first phase of a larger project to improve SH 13 between Rifle and Meeker.	\$10,611,868	\$10,439,448	Construction Complete	July 13, 2009	October 2010	100%	Elam Construction Co.
State Highway 92 between Austin and Hotchkiss	3	Delta	CDOT	Reconstructs five miles of SH 92 in asphalt and adds passing lanes and shoulders to improve recreational bicycling.	\$9,837,484	\$9,667,646	Construction Complete	July 13, 2009	October 2010	100%	Tezak Equipment
I-70 at Palisade Interchange (#42)	3	Mesa	CDOT	Improves safety by widening the acceleration and deceleration lanes at this interchange. The improvements will upgrade the interchange to current design standards.	\$1,361,584	\$1,339,461	Construction Complete	September 14, 2009	December 2009	100%	United Companies
State Highway 340 in Fruita	3	Mesa	CDOT	Installs two new traffic signals west of the I-70 interchange and makes intersection safety improvements for pedestrians and vehicles.	\$1,655,141	\$1,628,248	Construction Complete	March 2010	June 2010	100%	Heyl Construction, Inc.
I-70/State Highway 82/US 6 at the Glenwood Springs Interchange (#116)	3	Garfield	CDOT	This safety improvement project will upgrade traffic signals and improve ramp width and length to benefit both pedestrians and vehicles.	\$2,755,402	\$2,500,000	Construction Complete	August 17, 2009	November 2009	100%	Scott Contracting, Inc.
I-70 at the Edwards Interchange (#163)	3	Eagle	CDOT	This safety improvement project will construct three roundabouts at the interchange.	\$11,000,000	\$10,821,276	Construction Complete	March 2010	November 2010	100%	American Civil Constructors Inc.
State Highway 14, Muddy Pass	3	Jackson	CDOT	Resurfaces approximately 17 miles of SH 14 and improves shoulders and culverts.	\$8,970,808	\$6,337,976	Construction Complete	July 2010	October 2010	100%	LaFarge North America, Inc.
I-25 between US 34 and State Highway 392	4	Larimer	CDOT	Improves five miles of roadway surface on I-25.	\$7,000,000	\$6,859,424	Construction Complete	July 6, 2009	May 2010	100%	Aggregate Industries
State Highway 52 over Boulder Creek	4	Boulder	CDOT	Replaces the SH 52 bridge over Boulder Creek.	\$5,060,426	\$4,978,205	Construction Complete	August 31, 2009	August 2010	100%	SEMA Construction, Inc.
State Highway 14 between Hatchery and Cameron Pass	4	Larimer	CDOT	Resurfaces SH 14 in asphalt.	\$5,569,389	\$5,478,898	Construction Complete	June 29, 2009	July 2010	100%	LaFarge West, Inc.
I-76 between Sedgwick and the Nebraska State Line	4	Sedgwick	CDOT	Reconstructs 11 miles of eastbound I-76 in concrete.	\$15,827,499	\$15,570,336	Construction Complete	July 13, 2009	September 2010	100%	Interstate Highway Construction

CDOT ARRA Projects

US 36 between Estes Park and Lyons	4	Boulder and Larimer	CDOT	Chip seals 22 miles of US 36 to improve the roadway surface condition.	\$1,679,863	\$1,652,568	Construction Complete	August 3, 2009	September 2009	100%	United Companies
US 36 at Broadway in Boulder	4	Boulder	CDOT	Installs a new traffic signal at this intersection.	\$393,304	\$386,913	Construction Complete	August 3, 2009	January 2010	100%	DKS Enterprises
State Highway 60 at I-25 in Johnstown	4	Weld	CDOT	Installs a new traffic signal at this intersection.	\$501,532	\$493,383	Construction Complete	August 31, 2009	November 2009	100%	W.L. Contractors, Inc.
State Highway 257 at Garden Drive in Windsor	4	Weld	CDOT	Installs a new traffic signal at this intersection.	\$349,676	\$344,070	Construction Complete	September 15, 2009	November 2009	100%	W.L. Contractors, Inc.
US 34 at Weld County Road 49	4	Weld	CDOT	Installs a new traffic signal at this intersection.	\$469,861	\$462,227	Construction Complete	October 26, 2009	April 2010	100%	DKS Enterprises
US 6 between the Washington/Morgan Line to the Platte River Bridges	4	Logan/Washington	CDOT	Resurfaces approximately nine miles of US 6 (380.57 to 389.25) milepost in asphalt and upgrades guardrail and culverts in numerous locations.	\$4,796,356	\$4,496,356	Construction Complete	July 6, 2010	October 2010	100%	LaFarge North America, Inc.
US 34 between Brush and Akron	4	Morgan/Washington	CDOT	Chip seals 15 miles of US 34 to improve the roadway surface condition.	\$2,300,000	\$1,669,000	Construction Complete	June 30, 2010	July 2010	100%	Intermountain Slurry Seal Inc.
US 24/US 285 near Johnson Village	5	Chaffee	CDOT	Resurfaces 12.5 miles of US 24/US 285 in asphalt.	\$5,168,609	\$5,064,720	Construction Complete	August 10, 2009	October 2009	100%	Asphalt Paving Co.
State Highway 62, Dallas Divide between Ridgway and Telluride	5	San Miguel and Ouray	CDOT	Bid savings allowed for the project to be increased to resurface a total of 21.5 miles of SH 62 in asphalt and repair embankments. Project includes some work on US 550 as well.	\$11,723,191	\$4,000,000	Construction Complete	May 19, 2009	October 12, 2009	100%	APC Southern Construction Co.
US 160 east of Durango	5	La Plata	CDOT	Constructs a new eastbound on-ramp as part of an already scheduled project that will widen US 160 to four lanes and relocate a traffic signal due to the widening.	\$4,000,000	\$3,919,600	Construction Complete	September 21, 2009	April 2010	100%	SEMA Construction, Inc.
US 285 south of Saguache	5	Saguache	CDOT	Resurfaces eight miles of US 285 in asphalt.	\$4,877,871	\$4,779,826	Construction Complete	August 27, 2009	November 2009	100%	Elam Construction Co.
US 160 at CR 222/223 east of Durango	5	La Plata	CDOT	Relocates this intersection and adds auxiliary lanes to improve sight distance.	\$8,630,776	\$4,000,000	Under Construction-Resumed in March 2011 after a winter shutdown	March 15, 2010	May 2011	80%	Old Castle SW Group, Inc. dba Four Corners Materials
US 160 between Shaw Creek and Del Norte	5	Rio Grande	CDOT	Resurfaces three miles of US 160 in asphalt.	\$1,683,648	\$1,656,292	Construction Complete	October 5, 2009	November 2009	100%	Elam Construction Co.
US 160- Alamosa east	5	Alamosa	CDOT	Resurfaces six miles of US 160 in asphalt.	\$3,758,589	\$3,683,041	Construction Complete	July 13, 2009	September 3, 2009	100%	Elam Construction Co.
US 160 between Shaw Creek and Del Norte, Phase II	5	Rio Grande	CDOT	Resurfaces 14 miles of US 160 in asphalt.	\$8,699,268	\$7,486,268	Construction Complete	April 2010	July 2010	100%	APC Southern Construction Co.
I-25 at Alameda Avenue/Santa Fe Drive	6	Denver	CDOT	Replaces the Alameda bridge over I-25 with one that is wider to accommodate an additional lane in each direction.	\$37,400,000	\$35,447,157	Under Construction	April 2010	September 2012	65%	Jalisco International, Inc.

CDOT ARRA Projects

C-470 between I-25 to Santa Fe Drive	6	Douglas	CDOT	Repairs or replaces concrete slabs on C-470 and resurfaces C-470 in asphalt. Rehabilitates the C-470 bike path between I-70 and I-25.	\$31,985,485	\$31,465,789	Construction Complete	June 30, 2009	December 2010	100%	Castle Rock Construction Co.
I-25 between 6th Avenue and 23rd Avenue	6	Denver	CDOT	Resurfaces approximately three miles of I-25 in asphalt.	\$4,259,920	\$4,190,706	Construction Complete	June 14, 2009	June 2010	100%	Brannan Sand and Gravel Co.
I-76 at 96th Avenue	6	Adams	CDOT	Constructs roundabouts at this interchange.	\$4,004,163	\$2,222,733	Construction Complete	June 22, 2009	May 2010	100%	Castle Rock Construction Co.
I-25, US 36 and C-470	6	Adams, Douglas and Jefferson	CDOT	Installs ramp metering on the ramps from Sheridan Blvd. to westbound US 36, 84th Ave. to northbound I-25, Kipling Parkway to eastbound C-470 and Yosemite St. to westbound C-470.	\$338,997	\$333,489	Construction Complete	June 1, 2009	October 2009	100%	Colorado Boring Co.
US 6, State Highway 93, State Highway 58 (one intersection in Golden) and State Highway 128 at Simms Street	6	Jefferson and Broomfield	CDOT	Replaces traffic signals at two locations.	\$901,629	\$886,979	Construction Complete	July 7, 2009	June 2010	100%	Sturgeon Electric Co.
I-70 between Pena Boulevard and Tower Road	6	Adams	CDOT	Installs median cable guardrail to prevent crossover accidents.	\$334,060	\$328,632	Construction Complete	July 20, 2009	August 2009	100%	Ideal Fencing Corp.
I-76 over UPRR and State Highway 224	6	Adams	CDOT	Replaces two bridges on I-76.	\$11,056,153	\$10,876,514	Construction Complete	July 6, 2009	July 2010	100%	SEMA Construction, Inc.
I-70 between Kipling Street and Wadsworth Boulevard	6	Jefferson	CDOT	Repairs or replaces concrete slabs for approximately three miles of I-70.	\$2,313,025	\$1,793,405	Construction Complete	May 19, 2009	September 2009	100%	New Design Construction Co.
State Highway 88 (Bellevue Avenue) between Federal Boulevard and US 85 (Santa Fe Drive)	6	Arapahoe	CDOT	Resurfaces approximately one mile of SH 88 in asphalt.	\$676,523	\$665,530	Construction Complete	May 19, 2009	June 2009	100%	Aggregate Industries
State Highway 177 (University Boulevard) between C-470 and Arapahoe Road	6	Arapahoe	CDOT	Resurfaces approximately 1.5 miles of SH 177 in asphalt.	\$1,973,333	\$1,941,271	Construction Complete	June 1, 2009	August 2009	100%	LaFarge West, Inc.
US 40 Colfax Avenue between Kipling Street and Sheridan Boulevard	6	Jefferson	CDOT	Resurfaces approximately three miles of US 40 in asphalt.	\$3,392,313	\$3,337,195	Construction Complete	June 1, 2009	September 2009	100%	Asphalt Paving Co.
State Highway 2 between 62nd Avenue and Quebec Parkway	6	Denver	CDOT	Resurfaces approximately 2.4 miles of SH 2 in asphalt.	\$3,154,125	\$2,399,348	Construction Complete	June 1, 2010	September 2010	100%	LaFarge West, Inc.
C-470/ US 85 (Santa Fe) Interchange	6	Douglas	Douglas County	Constructs a flyover ramp from southbound Santa Fe Drive to eastbound C-470 to improve safety and mobility.	\$25,691,489	\$4,582,634	Under Construction	June 14, 2010	January 2012	45%	Edward Kraemer and Sons, Inc.
