PROJECT # IM 0252-423 SUBACCOUNT # 19039

Kraemer North America LLC
Attention: Tim Maloney
900 West Castleton Road Suite 220
Castle Rock, CO 80109

This is confirming notice, for record, that Thursday February 26, 2015, Kraemer was notified of Best-Value Award for a Design / Build Contract for the construction of the I-25 US 24 Cimarron CDOT Project # IM 0252-423 (19039) on the basis of the Request for Proposal as submitted by Kraemer / TSH from the Technical Proposal scoring and Pricing Proposal as submitted on Form J of the ITP.

At the Pricing Component RFP opening briefing held on February 26, 2015, the following people were present: CDOT R2 Project Manager Lesley Mace, CDOT Contracting Officer David Wells and Shawn Yu, CDOT Engineering Estimates

The work and the contract time will commence as authorized in writing by final execution of the Design / Build Contract and the Region 2 "Notice to Proceed.

No work is to begin until the "Notice to Proceed" is received from CDOT.

The Design / Build "BONDING" and "INSURANCE" requirements are contained in the attached pdf Adobe Acrobat® file as indicated in Section 8, Bonding & Section 9, Insurance clauses of the D/B Contract.

See the specifications in Section 9 for additional OCIP insurance requirements.

A pre-construction conference will be set-up by CDOT Region 2 Engineering Staff.

Best Regards
David Wells, CDOT Contracting Officer
