

Workforce Development

Now is the time to prepare for upcoming job opportunities on Central 70 and other local infrastructure projects. Join us to learn the best ways to qualify for, find, and keep a career in construction:

- Learn about upcoming projects and hiring opportunities
- Talk with people working in craft or office positions on how they built their success
- Learn about industry pathways and advancement
- Get connected to local training partners or resources to help you grow your skills
- To register, contact [303-352-5028](tel:303-352-5028) (se habla español)
