

Edwards Interchange Project Update

July 17, 2010

Work continues all over the job site from concrete paving and sidewalk construction to utilities and drainage work!

- Traffic will remain unchanged on the west side of the Edwards Access Road and the south side of Miller Ranch Road with one lane of thru-traffic in each direction plus auxiliary turn lanes.
- Access to the Wendy's/Shell station from Edwards Access road will be limited to entering the parking lot. To exit the station you'll need to use the Miller Ranch Road portal.
- Crews will be completing the Berry Creek realignment and water should return to its permanent path this week!

BASIC PROJECT INFORMATION

Project schedule: March 15 - November 19, 2010.

Scope: Construction of four roundabouts: Two at the I-70 interchange, one at Miller Ranch Road & Edwards Access Road, and one at the intersection of Berry Creek/Beard Creek Roads. Work also includes bike/ pedestrian paths along much of the corridor.

Traffic Impacts: There will always be one lane of thru traffic on Miller Ranch Road and the Edwards Access Road going in each direction during peak hours, plus auxiliary turn lanes. Peak hours are 7-9 a.m. and 4-7 p.m. Monday through Friday.

Funding: This project is funded by the American Recovery & Reinvestment Act of 2009
