

# Edwards Interchange Project Update

## October 3, 2010

***The westbound on-ramp will be closed Tuesday, October 5 - Saturday, October 9***

- The westbound on-ramp will close Tuesday 10/5 and remain closed through Saturday 10/9. This closure is allowed per contract and will accommodate the construction of the on-ramp. Access to WB I-70 will be available through Avon (mm 167) or Wolcott (mm 157).
- Expect the eastbound off-ramp to close the week of 10/11 for 5 working days.
- ACC will continue concrete paving and we'll start to see asphalt pavement on the southbound lanes of Edwards Access Road.
- ACC will continue to have flagger manned traffic control within the work zone. Please be respectful of their efforts as they are very exposed out there.
- Backups on I-70 likely at Exit 163 during non-peak hours. Commuters should consider an alternative exit from I-70 from 9 a.m. - 4 p.m. to avoid delays.
