

# Edwards Interchange Project Update *October 17, 2010*

***The eastbound off-ramp will be closed  
Tuesday, Oct. 19 - Saturday, Oct. 23***

- The eastbound off-ramp will close Tuesday 10/19 and remain closed through Saturday 10/23. This closure is allowed per contract and will accommodate the construction of the off-ramp. Access to Edwards is available through Avon (mm 167) or Wolcott (mm 157).
- ACC will continue concrete and asphalt paving on Edwards Access Road with the round-abouts on the south side starting to take shape.
- Sidewalks are complete on Berry Creek Road but pedestrian access continues throughout the site with particular work under the viaduct this week.
- ACC will continue to have flagger manned traffic control within the work zone. Please be respectful of their efforts as they are very exposed out there. Backups on I-70 likely at Exit 163 during non-peak hours. Commuters should consider an alternative exit from I-70 from 9 a.m. - 4 p.m. to avoid delays.

## **BASIC PROJECT INFORMATION**

**Project schedule:** March 15 - November 19, 2010.

**Scope:** Construction of four roundabouts: Two at the I-70 interchange, one at Miller Ranch Road & Edwards Access Road, and one at the intersection of Berry Creek/Beard Creek Roads. Work also includes bike/ pedestrian paths along much of the corridor.

**Traffic Impacts:** There will always be one lane of thru traffic on Miller Ranch Road and the Edwards Access Road going in each direction during peak hours, plus auxiliary turn lanes. Peak hours are 7-9 a.m. and 4-7 p.m. Monday through Friday.

**Funding:** This project is funded by the American Recovery & Reinvestment Act of 2009
