

Edwards Interchange Project Update *September 26, 2010*

***There will be no closures for the week
but the congestion will continue!***

- ACC will not be having any complete closures for the week of 9/26. Closures are currently scheduled for October 4th (west bound on-ramp) for 5 working days, and October 11 (east bound off-ramp) for 5 working days.
- Traffic will be shifted to the east side of Edwards Access Road as ACC continues concrete paving operations.
- ACC will continue to have flagger manned traffic control within the workzone. Please be respectful of their efforts as they are very exposed out there.
- Backups on I-70 likely at Exit 163 during non-peak hours. Commuters should consider an alternative exit from I-70 from 9 a.m. - 4 p.m. to avoid delays.

BASIC PROJECT INFORMATION

Project schedule: March 15 - November 19, 2010.

Scope: Construction of four roundabouts: Two at the I-70 interchange, one at Miller Ranch Road & Edwards Access Road, and one at the intersection of Berry Creek/Beard Creek Roads. Work also includes bike/ pedestrian paths along much of the corridor.

Traffic Impacts: There will always be one lane of thru traffic on Miller Ranch Road and the Edwards Access Road going in each direction during peak hours, plus auxiliary turn lanes. Peak hours are 7-9 a.m. and 4-7 p.m. Monday through Friday.

Funding: This project is funded by the American Recovery & Reinvestment Act of 2009

Public Information Hotline: 970-949-1102
