

# Construction Project Groundbreaking

## I-25: Ilex Street to City Center Drive

Save the Date

Wednesday, July 1, 2015

10:30 a.m.

After 14 years of environmental studies and a lot of work to get funding, it's time—the Groundbreaking for the New Pueblo Freeway's first project: Interstate 25 between City Center Drive and Ilex Street.

Please join us on Wednesday, July 1st at 10:30 a.m. as we begin digging some dirt and get this show on the road! It'll be held near Runyon Field. We'll follow-up with the exact location in a couple of weeks.
