

## I-25 South Gap Construction Update

*Bridge work and related impacts at Upper Lake Gulch Oct. 5-8*

### PROJECT OVERVIEW

As part of the I-25 South Gap project, CDOT and contractor partner, Kraemer North America, are replacing the Upper Lake Gulch Road bridge over I-25. Crews are planning to remove the northbound side of the bridge the week of Oct. 5. For safety, a closure of Upper Lake Gulch Road under I-25 and the northbound I-25 off-ramp to Upper Lake Gulch Road is necessary.

### WORK SCHEDULE

Bridge work will occur overnight, with crews starting as early as 5 p.m. and wrapping up by 5 a.m. the following morning. Closures are expected nightly Monday, Oct. 5, through Thursday, Oct. 8.

### TRAVEL IMPACTS

Those who live on the east side of I-25 at Upper Lake Gulch will need to find an alternate route if traveling during the following closure times:

- **5 p.m. Monday, Oct. 5, to 5 a.m. Tuesday, Oct. 6:** Closures include the underpass starting at 5 p.m. and northbound I-25 off-ramp to Upper Lake Gulch Road starting at 7 p.m.
- **7 p.m. Tuesday, Oct. 6, to 5 a.m. Wednesday, Oct. 7:** Closure of the underpass and northbound I-25 off-ramp to Upper Lake Gulch Road
- **7 p.m. Wednesday, Oct. 7, to 5 a.m. Thursday, Oct. 8:** Closure of the underpass and northbound I-25 off-ramp to Upper Lake Gulch Road
- **7 p.m. Thursday, Oct. 8, to 5 a.m. Friday, Oct. 9:** Closure of the underpass and northbound I-25 off-ramp to Upper Lake Gulch Road
- **Overnight (7 p.m. to 5 a.m.) Monday-Thursday:** Right lane closure of northbound I-25
- Please note that the southbound I-25 off-ramp to Upper Lake Gulch continues to be closed, and crews are using a long-term closure of the Sky View Lane/Tomah Road on-ramp to southbound I-25 for drainage work Oct. 5-16.
