

Construction Activities - October 2021

Look for the following construction activities to occur this month.

WEST AREA (Between Brighton and Colorado boulevards)

- Construction of the eastbound I-70 bridge deck above Brighton Boulevard
- Utility and railroad track work on York Street between 47th and 48th avenues
- Excavation and wall construction for future eastbound lanes of I-70
- Construction of 46th South Avenue
- Construction of the southern half of the cover park

CENTRAL AREA (Between Colorado Boulevard and Quebec Street)

- Punch list items at Quebec Street and I-70 interchange

EAST AREA (Between Quebec Street and Chambers Road)

- Continued overnight restriction of highway lanes and ramps to and from I-70 between Quebec Street and Chambers Road for median and barrier replacement
- Weekend long lane restrictions on I-70 between I-225 and Chambers Road for concrete panel replacement

These activities are weather-dependent and subject to change.
