

Construction Activities - May 2022

Look for the following construction activities to occur this month.

WEST AREA

- Paving operations for future eastbound lanes of I-70
- Bridge work on York Street
- Permanent closure of 46th North between Columbine and Clayton streets
- Construction of the eastbound I-70 off-ramp to Steele Street
- Opening of 46h South Avenue between Josephine and Steele streets
- Construction of eastbound I-70 near Colorado Boulevard interchange
- Intermittent weekend lane closures between Federal Boulevard and Pecos Street for overhead sign installation

CENTRAL AREA

- Continued overnight restriction of highway lanes and ramps to and from I-70 between Colorado Boulevard and Quebec Street for maintenance

EAST AREA

- Continued overnight restriction of highway lanes and ramps to and from I-70 between Quebec Street and Chambers Road for maintenance

These activities are weather-dependent and subject to change.
