

US 550/US 160 Grandview Interchange Connection

FACT SHEET

La Plata County

Complete connection of US 550 to US 160 at the Grandview Interchange.

Project Limits:

US 160 in Grandview to approximately MP 15 on US 550.

Project Benefits:

- **Mobility:** Improves mobility by providing US 160 and US 550 connection to the existing Grandview Interchange. Provides access to Grandview (Regional Hospital/Police), Three Springs residential development, and City of Durango business development. Project improvements will reduce travel times, improve access and enhance safety.
- **Economic Vitality:** US 550 is a truck route which provides significant freight mobility for oil and gas, agriculture and other industries for the Four Corners Region.
- **Other:** Connects to new urban core, including hospital, police department, retail and residential community.
